CHICKEN DINNER BENEFIT FOR ALPIZA ANGEL

Multiple Sclerosis or MS is a chronic, often disabling disease that attacks the central nervous system, which is made up of the brain, spiral cord and optic nerves. Symptoms may be mild, such as numbness in he limbs, or severe, such as paralysis or loss vision. The progress, severity and specific symptoms of MS are unpredictable and vary from one person to another.

One of our own parishioners, Alpiza Angel has had MS for over 20 years. Alpiza lives with her mother, Sophie Nick, and has been confined to a wheel chair for many years. Many accomodations have been made at home to help with the care of Alpiza. One new accomodation that has to be made is the purchase of a portable lift and the remodeling of the bath area to put the bathtub in the middle of the room so that the lift can put her in the tub and she can be bathed properly.

These new accomodations will cost over \$11,000 therefore the Ladies Philoptochos is sponsoring a chicken dinner after Church on Sunday, January 31st. The cost will be \$25.00 per person and \$10.00 for children 12 and under. This will be a perfect time to break bread together as a Parish in order to help the needs of one of our own.

All checks may be made out to the Ladies Philoptochos. If you can not attend and would like to give a donation, you may give any donations to Penny in the church office or on January 31st there will be a donation boxes available.

Please call Penny at the St. George Office 248-335-8869 and make your reserations by Friday January 29th.

Thank you for all of your love and support for the St. George Family

Sincerely,

Ladies Philoptochos
